From Kings Somborne:-

After you come out of Kings Somborne you will go down into a dip and up again then the road will become tree lined (about 1 mile from Kings Somborne). About 0.3 miles after entering the trees you bear right up the driveway (second drive after entering the trees and about 100m before SO20 6QL destination). After turning off the main road after about 30m bear right and after winding through the trees turn right again. You will pass between some buildings and exit in the far left corner. After another 30m you will see the court on the left.
